

METROPOLIS

Introducing Metropolis, a new line of décors inspired by an urban cityscape. Contrasting shapes and textures fused into an eclectic mix of geometrics, lux fabrics and encapsulated metals.

Complimenting the silver grays of concrete and metal with a splash of scarlet. Metropolis décors are a brilliant choice for sophisticated spaces where a touch of class can set the mood.

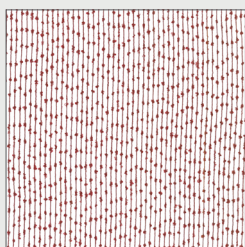

METROPOLIS

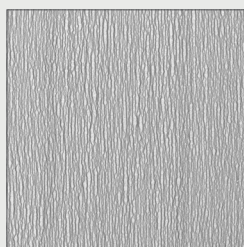

Get Inspired!

Reminiscent of a stunning cityscape, Metropolis décors can add that unique aesthetic needed for the most luxurious or opulent setting.
